

Many of the following species do not seed every year so at times we may be out of stock. We recommend that you contact us for details of availability.

No.	FAMILY NAME	COMMON NAME	SPECIES NAME	DESCRIPTION
1	Mimosaceae	PIGEONBERRY	Cryptocarya erythoxylon	Large fast growing tree, bird food.
2	Mimosaceae	YELLOW CARABEEN	Sloanea woolleii	Large slow growing timber tree.
3	Myrtaceae	RED APPLE	Acmena australis	Large fast growing tree, well shaped, sun or part shade, bird food.
4	Euphorbiaceae	CANDLENUT	Aleurites moluccana	Large fat growing, evergreen, sun or part shade.
5	Araucariaceae	BUNYA PINE	Araucaria bidwillii	Fast growing upright tree, edible nuts, sun.
6	Araucariaceae	HOOP PINE	Araucaria cunninghamii	Large upright tree, fast growing sun.
7	Sterculiaceae	WHITE BOOYONG	Argyrodereon trifoliolatum	Slow growing timber tree.
8		ROSELEAF MARARA	Calocluvia paniculata	Fast growing large tree.
9	Fabaceae	BLACK BEAN	Castanospermum Australe	Slow growing, large well shaped tree, sun.
10	Myrtaceae	GIANT IRONWOOD	Choricpla subargentea	Medium growth, fast when established, large upright tree, bird food, sun.
11	Sapindaceae	NATIVE TAMARIND	Diploglottis australis	Slow growing bushy evergreen, bird food.
12	Euphorbiaceae	LANCEWOOD	Dissiliaria bologhioides	Large fast growing tree, attractive foliage, sun or part shade.
13	Meliaceae	RED BEAN	Dysoxylum muelleri	Large well shaped tree evergreen, sun or part shade, bird food.
14	Elaeocarpaceae	QUANDONG	Elaeocarpis grandis	Fast growing spreading tree, bird food, sun.
15	Rutaceae	BUTTERFLY TREE	Euodia elleryana	Large upright tree, bird food.
16	Moraceae	WEEPING FIG	Ficus benginini	Large spreading tree, weeping foliage.
17	Moraceae	MORETON BAY FIG	Ficus macrophylla	Large spreading tree, bird food, sun.
18	Moraceae	SMALL DECIDUOUS FIG	Ficus microcarpa	Large spreading tree, small fruit, bird food, sun.
19	Moraceae	SMALL LEAVED FIG	Ficus obliqua	Medium to large trees, bird food sun.
20	Moraceae	LARGE DECIDUOUS FIG	Ficus _____ var _____	Large spreading tree, bird food, sun.
21	Moraceae	WHITE FIG	Ficus virens	Large spreading tree, small fruit, semi deciduous, bird food, sun.
22	Moraceae	STRANGLER FIG	Ficus watkinsiana	Large spreading tree, bird food, sun.
23	Rutaceae	CROWS ASH	Flindersia australis	Large evergreen, upright tree, sun.
24	Rutaceae	QUEENSLAND MAPLE	Flindersia brayleyana	Large fast growing tree, sun or part shade.
25	Rutaceae	NATIVE LEOPARD	Flindersia collina	Slow growing bushy evergreen.
26	Rutaceae	SILVER ASH	Flindersia schottiana	Large fast growing, upright tree, sun or part shade.
27	Verbeniaceae	NORTHERN WHITE BEECH	Gmelina dalrympleana	Same as Southern White Beech but with smaller leaf.
28	Verbeniaceae	WHITE BEECH	Gmelina leichhardtii	Large well shaped tree, sun or part shade.
29	Proteaeceae	SILKY OAK	Grevillea robusta	Fast growing upright tree, beautiful orange flowers, sun.
30	Lauraceae	BOLLY GUM	Litsea reticulata	Large fruiting tree, bird food, sun.
31	Lauraceae	BROWN BOLLY GUM	Litsea leefeana	Large tree, bird food, sun or part shade.
32	Myrtaceae	BRUSH BOX	Lophostemon confertus	Last fast growing timber tree, sun.
33	Meliaceae	WHITE CEDAR	Melia azedarach	Large fast growing tree, sun or part shade, bird food.
34	Oleaceae	NATIVE OLIVE	Olea paniculata	Large fast growing tree, sun or part shade, bird food.
35	Podocarpaceae	BROWN PINE	Podocarpus elatus	Well shaped tree, bird food, sun or part shade.
36	Meliaceae	RED CEDAR	Toona ciliata	Large fast growing tree, one of our most noted cabinet timbers, sun or part shade.
37		RIBBONWOOD	Euroschinus folcata	Fast growing, well-shaped evergreen tree.

No.	FAMILY NAME	COMMON NAME	SPECIES NAME	DESCRIPTION
38	Sapindaceae	ELECTRON	Alectryon tomentosus	Medium well shaped tree, attractive foliage, sun or part shade.
39	Sapotaceae	BROWN PEARWOOD	Amorphospermum antilogum	Well shaped evergreen sun or part shade.
40	Arecaceae	BANGALOW PALM	Archontophoenis cunninghamiana	Slow growing shade.
41	Caesalpiniaceae	CROWN OF GOLD	Barklya syringifolia	Slow growing upright tree with slender drooping branches, bright gold flowers sun or part shade.
42	Sterculiaceae	FLAME TREE	Brachychiton acerifolium	Fast growing, flowering tree, sun.
43	Sterculiaceae	A LACE BARK	Brachychiton discolor	Fast growing, flowering tree, sun.
44	Sterculiaceae	BROAD LEAVED BOTTLE	Brachychiton populnus	Fast growing, open forest, sun fodder tree.
45	Sterculiaceae	NARROW LEAVED BOTTLE	Brachychiton rupestre	Slow growing, bottle shaped trunk, sun
46	Casuarinaceae	RIVER SHE OAK	Casurina cunninghamii	Medium fast growing forest tree, sun.
47	Casuarinaceae	FOREST SHE OAK	Casurina torulosa	Medium fast growing forest tree, sun.
48	Sterculiaceae	BROWN CURRAJONG	Commersonia eartramia	Medium fast growing tree. Sun or part shade, bird food.
49	Ebenaceae	NATIVE EBONY	Diospyros ferrea	Fast growing upright tree, part shade, bird food.
50	Elaeocarpaceae	HARD QUANDONG	Elaeocarpus obovatus	Well shaped medium tree, sun or part shade, bird food.
51	Sapindaceae	LANCEWOOD	Elattostachys xylocarpa	Small tree with brightly coloured young leaves, shade or part shade.
52	Fabaceae	CORKWOOD	Erythina sp.	Fast growing, deciduous tree, sun or part shade.
53	Moraceae	SANDPAPER FIG	Ficus fraseri	Medium fast growing tree, full sun or part shade, bird food.
54	Euphorbiaceae	CHEESE TREE	Glochidion ferdinandi	Slow growing medium tree, sun or part shade.
55	Sapindaceae	SALMON BEAN	Harpullia alata	Rare medium sized tree.
56	Sapindaceae	BLUNTLEAVED TULIPWOOD	Harpullia hillii	Fast growing medium tree, sun or part shade, bird food.
57	Sapindaceae	TULIPWOOD	Harpullia pendula	Fast growing medium tree, sun or part shade, bird food.
58	Pittosporaceae	NATIVE FRANGIPANI	Hymenosporum flavum	Attractive flowering tree, fast growing, sun or part shade.
59	Sapindaceae	FOAM BARK	Jagera pseudorhus	Attractive well shaped medium tree, fast growing, sun or part shade.
60	Proteaceae	MACADAMIA	Macadamia integrifolia	The original native plant stock of the commercial nut, sun or part shade.
61	Euphorbiaceae	MACARANGA	Macaranga tanarius	Fast growing medium tree, sun or part shade, bird food.
62	Euphorbiaceae	SWEET PITTOSPORUM	Pittosporum undulatum	Medium tree, bird food.
63	Euphorbiaceae	RED KAMALA	Mallotus philippensis	Medium well shaped tree, sun or part shade, noted bird food tree.
64	Rutaceae	FINGER LIME	Microcitrus australasica	Edible native lime, slow growing, long shaped fruit, sun or part shade. Well shaped tree.
65	Rutaceae	NATIVE LIME	Microcitrus australis	Edible native lime, slow growing, sun or part shade.
66	Oleaceae	SMALL NATIVE OLIVE	Notelaea linearis	Well shaped medium tree, sun or part shade, bird food.
67	Meliaceae	CROWS APPLE	Owenta venosa	Medium slow growing tree, well shaped, full sun or part shade, bird food.
68	Urticaceae	NATIVE MULBERRY	Pipturus argenteus	Fast growing medium tree, sun or part shade, bird food.
69	Pittosporaceae	HOLLYWOOD	Pittosporum rhombifolium	Medium fast growing tree, full sun or part shape, bird food.
70	Sapotaceae	BLACK APPLE	Planchonella australis	Slow growing medium tree, sun or part shade, bird food
71	Sapotaceae	YELLOW BOXWOOD	Planchonella pohlmania	Slow growing medium tree, sun or part shade, bird food
72	Anacardiaceae	BURDEKIN PLUM	Pleiogynium timorens	Medium slow growing tree, well shaped, full sun or part shade, bird food.
73	Araliaceae	CELERY WOOD	Polyscias elegans	Fast growing tree, sun or part shade, bird food.

No.	FAMILY NAME	COMMON NAME	SPECIES NAME	DESCRIPTION
74	Verbeneaceae	LIGNUMVITAE	Premna lignumvitae	Attractive foliage, medium tree, sun or part shade, bird food.
75	Myrtaceae	RHODAMNIA	Rhodamnia dumicola	An attractive densely growing tree, sun or part shade, bird food.
76	Anacardiaceae	DEEP YELLOWOOD	Rhodosphaera rhodantha	Medium well shaped tree, fast growing sun or part shade.
77	Sterculiaceae	PEANUT TREE	Sterculia quadrifida	Fast growing medium tree, sun or part shade, bird food.
78	Myrtaaceae	BUSH CHERRY	Syzygium australis	Medium tree bird food and bush food.
79	Myrtaaceae	PINK LILLYPILLY	Syzygium coolminianum	Medium well shaped tree, sun or part shade, bird food.
80	Myrtaaceae	PURPLE CHERRY	Syzygium crebrinerve	Medium well shaped tree, sun or part shade, bird food.
81	Myrtaaceae	WEeping MYRTLE	Syzygium floribundum	Medium tree, weeping foliage, excellent for screening.
82	Myrtaaceae	SMALL LEAVED LILLYPILLY	Syzygium leuhmannii	Three metres high with new foliage bright red.
83	Myrtaaceae	WILSONII	Syzygium wilsonii	Small shrub, fruit birdfood and bush food.
84	Sapindaceae	STEELWOOD	Toechima daswrrache	Small well shaped tree with deep green foliage.
85		BLUNT LEAF STEELWOOD	Toechima dasyrrhache	Small well shaped tree with deep green foliage.
86		ROSEWOOD	Dysoxylum fraserianum	Timber tree with deep red timber.
87		SCENTLESS ROSEWOOD	Synoum glondulosum	Small evergreen tree.
88	Malvaceae	NATIVE HIBISCUS	Abelmoschatus manihot	Small tree, fast growing, full sun, bright yellow flowers.
89		HIBISCUS PINK	Hibiscus splendens	
90		HIBISCUS WHITE	Hibiscus heterophyllus	
91	Euphorbiaceae	NATIVE HOLLY	Alchornea ilifolia	Small to medium slow growing shrub, bird food.
92		NORTHERN HIBISCUS		Foliage thornless with bright yellow flowers.
93	Araceae	CUNJEVOI	Alocasia macrorrhizos	An attractive understory plant, full shade
94	Zingiberaceae	NATIVE GINGER	Alpinia caerulea	An understory plant, full shade, bird food.
95	Apocynaceae	CHAIN FRUIT	Alyxia ruscifolia	Stiff prickly leaved shrub, orange fruits in a chain.
96	Aracaceae	BANGALOW PALM	Archontophoenix cunninghamii	An attractive slow growing palm, sun or part shade.
97	Myrtaceae	PYTHON TREE	Austromytus bidwillii	Small slow growing understory tree, shade.
98	Euphorbiaceae	BALOGHA	Balogha lucida	Attractive green leaved understory small tree, full shade.
99	Capparidaceae	BUTTERFLY BUSH	Capparis arborea	Shrub, large white showy flowers.
100	Vitaceae	WATER VINE	Cissus antarctica	Fast growing vine, sun or part shade.
101	Vitaceae	NATIVE GRAPE	Cissus hypoglauca	Fast growing, evergreen vine, sun or part shade, bird food.
102	Verbenaceae	LOLLY BUSH	Clerodendrum floribundum	Small shrub with bunches of white flowers in spring.
103	Agavaceae	BROAD LEAVED PALM LILLY	Cordyline petiolaris	Attractive understory small palm native cordyline, full shade.
104	Agavaceae	PALM LILLY	Cordyline stricta	Small understory plant.
105	Amaryllidaceae	RIVER LILLY	Crinum pedunculatum	An attractive understory plant, flowering native lilly, full shade.
106	Lauraceae	SILVER SYCAMORE	Cryptocarya glaucenscens	Medium tree, fast growing, sun or part shade.
107	Lauraceae	CRYPTOCARYA	Cryptocarya laevigata	Small understory tree, full shade, bird food.
108		STEELWOOD	Sareopterya stipata	Small shrub with purple fruit.
109	Ebenaceae	EBONY	Diospyros ferrea	Medium slow growing bushy tree. Birdfood. Evergreen.
110	Apocynaceae	NATIVE GARDENIA	Ervatamia angustisepala	A small flowering shrub, sun or part shade.
111	Asclepiadaceae	NATIVE HOYA	Hoya australis	A delicate small flowering vine, waxy flowers, shade.

No.	FAMILY NAME	COMMON NAME	SPECIES NAME	DESCRIPTION
112	Proteaceae	MACADAMIA Sp.	Macadamia ternifolia	A small version of macadamia nuts, not edible, part shade to full sun.
113	Zamiaceae	PINEAPPLE PALM	macrozamia miquallii	An attractive understory plant, full shade.
114	Euphorbiaceae	SCRUB SMELL TREE	Mollotus claoxyloides	Small fast growing tree, highly scented scrub smell, sun or part shade.
115	Rutaceae	MEDICOSMA	Medicosma cunninghamii	Slow growing large shrub, flowers all summer, rare, semi-full shade.
116	Rutaceae	TINGLE TONGUE	Melicope erythrucca	
117	Papilionaceae	NATIVE WISTERIA	Millettia megasperma	Fast growing vine with attractive flowers, sun or part shade.
118	Rubiaceae	PAVETTA	Pavetta australiensis	Beautiful flowering shrub, sun to part shade, bird food.
119	Euphorbiaceae	NATIVE BLEEDING HEART	Omalanthus populifolius	Medium shrub, older leaves bright red, sun or part shade, bird food.
120	Rubiaceae	RANDIA	Randia chartacea	Slow growing shrub, flowers spring, heavily scented full shade bird food.
121	Bignoniaceae	WONGA VINE	Pandorea pandorana	Fast growing vine with attractive flowers, sun or part shade.
122	Pittosporaceae	ORANGE BUSH	Pittosporum revolutum	Shrub, yellow flowers.
123	Rubiaceae	TURKEY BUSH	Psychotria loniceroides	Smal understory bush. Bird food and bush food.
124		KODA	ehretia acuminata	Medium tree. Bright yellow flowers.
125		CASSIA	Brewesters cassia
